Abstract

This research aims to find out a reality of (Disagreement a fundamentalist), term and its relation to other disciplinary provisions, and its application, with the question of some students of knowledge. I saw the need for a survey to talk about it and to achieve its intended purpose. In addition to this, what I found from the texts of some of the scholars of the science of what has been overlooked the search for him, and this section has been neglected by many fundamentalists". Discussing the analysis of the content of the UAE personal status law, and the extent of its consensus with a focus on controversial and controversial articles, such as marriage, custody, state, divorce and other issues. And the opinion of contemporary jurists in Islamic jurisprudence and civil law and interest in emerging issues through the computer network and local newspapers to get the contemporary images of the dispute and how to abuse the judiciary and contemporary laws with them, and differences and the compatibility. It is necessary to identify the developments and the reality is important for research. Then the research ends with a statement of the most important findings and recommendations reached by the researcher.
